If you were given a second chance at life, what would you do with it? Kevin Parker got that chance when he nearly died from a drug overdose, losing his leg in the ordeal. He made the decision to fight back against addiction, beginning a spiritual journey of self-development. Along the way, he became a coach and a public speaker to inspire others to overcome their own struggles. In *Winning Against All Odds*, you will discover the secret to unlocking the true warrior within: If you can turn your biggest weakness into your greatest strength, you will become truly unstoppable.
